Dear Ms Motshwane

On behalf of Sparrow Rainbow Village, the Management, patients, mothers and children, we wish to express our most sincere gratitude and appreciation for the excellent support and services that your company Morebo gave to us in honour of the late President Mr Nelson Mandela.

Wow! Cluster 5 has not had such a facelift in many a year and we are truly thankful for this wonderful blessing bestowed upon us. I must compliment an excellent team for their wonderful spirit, hard work and commitment. On behalf of our management team I do wish to apologise for our absence. Unfortunately we had to do some crisis intervention regarding an issue that was brought to our attention.

Tata Madiba always called upon the South African Nation to dedicate part of their time and resources to the less fortunate in our communities. He taught us to humble ourselves, to reach down, feel in our hearts; and to touch those who did not have! Not only do we celebrate this day to honour this great man; but also to satisfy a call from deep within to serve the less fortunate in our communities!

I would really appreciate it if you could acknowledge receipt of this letter by sharing the contents with your wonderful team of experts. We certainly now know who to approach should we need some painting done☺

Thank you very much to each and every one for your dedication and a job well done.

Kind regards

Steve Pote
